Re: Implementation of Online Entrance Examinations regarding the February 2021 Graduate School Special Entrance Examination for International Students

The KIT Special Entrance Examination for International Students is scheduled for February 3, 2021. It is for examinees residing in Japan expected to be held face-to-face upon taking infection prevention measures pursuant to the Ministry of Education, Culture, Sports, Science and Technology's "Guidelines for the Implementation of Examinations taking Measures against the Novel Coronavirus Infection for the Admission Selection of 2021".

However, due to Japanese government mandated immigration restrictions and prevention measures to limit the spread of the novel coronavirus, governing persons who enter Japan from overseas, foreign examinees living abroad who cannot enter Japan (4 persons in total), will be able to take the entrance examination online.

Details regarding the online entrance exam will be sent to the four eligible examinees (4 people) by email today.
