\* The maximum capacity listed above includes:

“Special Entrance Examination for recommendation”

“Kyoto Institute of Technology and Chiang Mai University Joint Master's Degree Program in Architecture”.

\* 1 Please refer to Table 1 and select your prospective supervisor.

For applicants selecting the master's final project on a specific topic type: please select supervisor only from “Type I (Red)”and “TypeI/ Type II (Yellow)”.

For applicants selecting the master's thesis type: please select supervisor only from “Type II (Blue)”and “TypeI/ TypeII (Yellow)”.

\*\*If you do not follow the above rule, your application will not be accepted.

\* 2 In principle, we do not permit switches between " Type I" and " Type II " after passing entrance examinations.
